1 The parties may decide to file other motions as the trial date  
2 approaches, and will adhere to the Court's deadlines.

3 Expected Trial Date

4 The parties do not expect to proceed on the current trial date  
5 of December 11, 2018, in light of the complexity of the case and the  
6 amount of discovery, and expect to file a stipulation and proposed  
7 order requesting a continuance of the trial date, if a resolution by  
8 plea agreement is not reached in advance of the current trial date.

9 Anticipated Length of Trial

10 The government estimates five trial days for its case in chief.
